

VISITORS & VOLUNTEERS

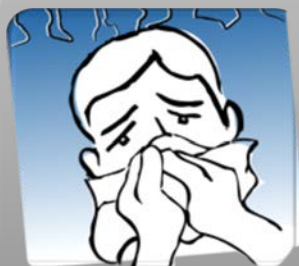

Through the FLU thanks to YOU

Stay vaccinated

- The annual influenza vaccine is the best way to protect yourself and your loved ones

Practice cough & sneeze etiquette

- Cover your mouth and nose when coughing/sneezing and dispose of used tissues

Practice hand hygiene

- Wash your hands with soap and water or use the provided dispensers

Stay at home if you are sick

- If you have a cough or flu-like symptoms, your visit may put others at risk. If the visit is urgent, please first notify a staff member

An initiative by Choice Aged Care for contracted QUM clients
