

HOSPITALITY STAFF

Through the FLU thanks to YOU

Stay vaccinated

- The annual influenza vaccine is the best way to protect yourself and your clients

Practice cough & sneeze etiquette

- Cover your mouth and nose when coughing/sneezing and dispose of used tissues

Practice infection control

- Follow your workplace procedures relating to infection control and wash your hands with soap and water or use the provided dispensers

Follow policy if you are sick

- If you have a cough or flu-like symptoms, coming to work may put others at risk. Check with you supervisor if unsure.
